

Summer Fun Checklist

We just solved boredom!

Find a worm, name it, and say the coolest thing about it.
Draw the coolest cloud you see.
Share an ice cream cone with your dog.
Count all the different bugs you can find and build them a house with sticks and leaves.
Press a flower into the pages of your favorite book and check on it a week later.
Build a fort using every blanket and chair in the house.
Paint your favorite rock.
Learn the names of the birds in your neighborhood and mimic their song.

Keep the fun going! Watch more little moments that feel really big and find where you can buy delicious Little Bites to feed your next adventure!
